Says:

The traveler, who was asked by a clerical-looking fellow-passenger—whether or not he drank, may have been justified, before answering, in asking whether the question was an inquiry or an invitation. But my advice to you, sub, is "Let not opportunity slip between your fingers." Take it, whenever such a query is put to you, as a pressing invitation, provided, sub, that there is within convenient reach a supply of

### EAGLETS.

M. H. Guerin, the well known attorney and Master in Chancery, is being talked of by his many friends for Superior Court Judge.

Girard A. Ellington has earned by his good record as a lawyer a nomination for the bench by the Democrats next year.

Judge Marcus Kavanagh is an honest, able and fearless judge and his re-election this year is certain.

Judge Adama A. Goodrich is a man whom Chicago is at all times proud to claim as one of her leading lawyers and citizens.

Benjamin F. Nicholson, the able and highly respected lawyer, is the right man for the Republicans to name for one of those Superior Court judgeship nominations.

Francis S. Wilson has earned by his splendid record as a lawyer a nomination for judge of the Superior Court by the Democrats this year.

This "deadly drinking cup" fad is a bonanza for somebody. The paraffine drinking cups cost 3 cents per hundred to make and sell for one cent each. Slot machines have also appeared where it costs one cent to get a drink of water.

Clean out the municipal bench next year in the interest of law and order.

John J. Coburn is the right kind of a man to place on the bench and his candidacy for Superior Court Judge is worth the support of everybody.

Judge Joseph H. Fitch has proven by his record that he is an able and painstaking judge. His re-election is recommended.

James S. Hopkins, the able and popular attorney and Master-in-Chancery of the Federal Court, would grace a seat on the bench.

George K. Schmidt's splendid record as a public official, a business man and a citizen has gained for him a well earned popularity all over Chicago. He would make a fine state treasurer.

Albert J. Hopkins will play a foremost part in the big campaign next year. The able former United States Senator enjoys a popularity in Illinois that extends from one end of the state to the other.

Chicago should get both the Democratic and the Republican national conventions next year.

Former United States Senator Albert J. Hopkins holds a place in the estimation of the people of Illinois that he can at all times point to with pride. His brilliant, honest and fearless record in the United States Senate and during his many terms in Congress, is well known to everybody, and the treachery he received when he was wrongfully deprived of re-election to his seat in the Senate, will not be forgotten when the proper time comes.

The famous Cream of Malt beer is brewed solely by the well known J. L. Hoerber Brewing Company.
